Overview:

Harikar aims to provide support to children and youth in KR-I detention and reformatory facilities through an innovative project combining specialized JJ and MHPSS services with a supported curriculum, in a partnership with UNICEF Iraq, other related ministries in KR-I and others; to enable them to move forward with their lives as peaceful and productive members of society. Additionally, awareness work with the communities on social cohesion will help the children and youth reintegrate into the society. Child Protection committee is strongly based on child protection system strengthening, community empowerment objectives, fostered resilience of children and youth with a tailored-made reintegration intervention which includes a specialized justice approach. Therefore, civil society and government social workers will be trained on effective mental health and justices approaches.
