Job Overview:

Under the direct supervision of Project Manager for **Water Conservation Campaign in Duhok and Nineveh Governorates** at Harikar NGO in Duhok; and in close coordination with GIZ concerned staff, the WASH Field Monitor will provide support in the development, planning, implementation and monitoring of WASH projects in Iraq. The projects which are predominantly emergency response to the refugees, IDP and IDP returnee's crisis in Iraq; involving the water conservation awareness campaigns and hygiene promotion in camp and non-camp settings.

The position will require managerial responsibilities and geographical flexibility due to travel around the Governorates of Dohuk and Nineveh in order to map, expand and diversify the offered related services.

Scope of Work (Duties and Responsibilities):

- Supervision, implementing and monitoring of the field activities.

- Ensure the design of IEC (Information, Education, and Communication) tools and the implementation of promotion activities within the communities.
- Ensure the supply and availability of materials in the stock and sites.
- Support the Project Manager in the follow-up of HR, financial and logistics aspects of the project.
- Ensure smooth collaboration with the local authorities in the intervention areas.
- Follow up with the suppliers to ensure that the posters, signboards on safe water messages are installed properly and in the required locations.
- Monitor the site activities on daily basis and ensure that all activities are implemented as per the project plans and requirements.
- Monitor progress of activities, report all milestones and flag issues as soon as they arise.
- Participate in the regular meetings to review the quality and progress of the work. Prepare the required reports to the line manager (Project Assistant Manager) and feedback with accurate information.
- Supervise Team Leaders and Community Mobilizers performance and plans of activities in the field.
- Manage community outreach activities.
- Prepare project reports, and assist the Project Assistant in preparing the periodic reports.
- Facilitate the promotion of WASH program impact on water conservation activities.
- Ensure the close liaison and consultation with Community Leaders during implementation of the WASH services as per project document requirements.
- Undertake capacity building of the various groups involved in projects, including Household Sanitation Committees, Water Committees, Community Hygiene Promoters, in aspects of Water Sanitation and Hygiene in an emergency humanitarian situation.

Work Quality Outputs:

- Assist in establishing and oversight of implementation of systems for efficiently controlling the quality of technical works; closely tracking works' progress against payment and work plans, and controlling the quality of the final activities outputs as per donor and user community expectations.
- Supervise and monitor implementation of water conservation awareness activities in the households and increase water conservation awareness for the general public through water conservation carnival as well as, monitor with DoWs in project pilot project sites in Dohuk and Nineveh for the water conservation initiatives and capacity building of DoW staff.

Coordination with Local Community Groups/Government Departments/Other Stake Holders (Internal and External):

- Coordination with Directorate of Water (DoW) and other related government departments to obtain the approvals for the implementation of the project activities.
- Coordination with Local Community Groups/Government Departments as required.
- When required, in collaboration with WASH Project Coordinator, Represent Harikar at DoW.

Reporting and Communication:

- Ensure that project documentation is prepared, including weekly and monthly project reports on implementation/construction status and updating shared folders as per requirements of Harikar.

Other:

- Undertake other tasks as requested by the supervisors.

Safety and Security Responsibilities:

- Coordinate with the Security Officer and adhere to security procedures and actively contribute to a positive security culture.

- Abide by the security policies and procedures and report any incidents or breaches to line manager and /or the Security Officer.

Adhere to Harikar policies and principles:

- Ensure that project targets those beneficiaries in the targeted areas.
- Promote and share ideas for improvement and necessary changes of activities.

Liaise and collaborate with relevant local authorities and other key stakeholders:

- Build strong networks and connections with service providers of NNGOs, INGOs, and related governmental entities.
- Coordinate and cooperate with other Harikars' project staff.

Experience, Qualifications and Skills:

Educational Qualifications:

- A university Bachelor degree in Monitoring.

Professional Experience:

- Preferably a minimum of 2 years of relevant work experience.

Skills:

- Candidate should be able to work independently with minimum supervision and guidance from supervisors.
